## HEARTFELT THANKS

May I, through the Village News express my heartfelt thanks to all my friends and neighbours, who have shown me so much kindness and support following the recent death of my husband. The huge turnout at his funeral showed clearly how much loved Richard was and how lucky I am to have so many good friends. The donations of over £600.00 to the League of Friends at Southwold Hospital is a tribute to their generosity.

## 100% DEGREE OF SUCCESS

I am very proud that my son Sam has worked to succeed at his B.A. (Hons) Degree in Costume, Technical Effects and Make-up for the Performing Arts. He is a very fine sculptor, moulder, illustrator and painter. His delightful girlfriend Milly Newman has also worked extremely hard and succeeded at the same degree. She is a very fine prop-maker, costumer, wig-dresser, sculptor and makes wonderful large puppets. Their work is magical, innovative and inspiring, as we witnessed at their exhibitions at the London College of Fashion, where they studied for three years. The next generation of artists in Walberswick is now recognised. Congratulations to them both.

## VILLAGE FETE, 23<sup>rd</sup> August 2003

There's not long to go now before the Village Fete and we continue to need your help in making our fete a very successful event. All the stallholders are listed below for your convenience and they will be grateful for any offers of cakes, preserves, bottles (not only wine!) gifts, fancy goods, plants, kitchenware, children's toys & games, raffle prizes, books etc. that you can offer to them for their stalls.

Now for the Fun Dog Show - forms in this News & in the Tuck Shop, ready for you to fill in and return with your entry fees. Can your pet sport a rosette by the end of the day We are all looking forward to seeing some very smart pooches around the village!

If you have a beach windshield, could we please borrow it for the Fete Day? To enhance our theme, Kate & Roger Fulton have agreed to make us a beach scene around the newly grassed area and will use the windshields to screen it off. If you can lend us yours for the day, please deliver it to the Green in the early morning (clearly named) and collect at the end of the Fete. We also plan a few palm trees. We have the stakes but need some palm fronds! Real or paper ones, please, on the Green early in the morning.

To add to our theme, we are inviting all children living in or staying in the village to paint, draw, crayon or collage a beach scene. Please use as large a sheet of paper/card as possible. Alternatively, illustrate a beach by sculpture or a 3-dimensional structure of found objects. The entries will be displayed on the Green around or on the newly grassed area; to be judged for three prizes: under 5, 5-9 & 10-15 years of age. Bring your entries to the Green from 10:30, but no later than 12:00, on Fete Day.

### GARDEN PARTY SUCCESS

It was a sunny Saturday afternoon on 21st June for the Garden Party at Dutch House. More than two hundred people came and enjoyed tea and scones, and spent money on the stalls and raffles. The record sum of £1,698. 42p was raised for Motor Neurone Disease Research. Very many thanks to all those who came, those who made the delicious cakes and scones, and those who helped on the day.

### WALBERSWICK COMMON LANDS TRUST

#### Report from April & June meetings.

Nigel Hunt & Gerald Tooley will serve a further four years as Nominative Trustees. Rev. Brian Fisher was welcomed as the new ex-officio Trustee. The walkway onto the beach from Cliff Field will be moved in the Autumn. The timber of the corral on the grazing marshes will be treated with environmentally friendly preservative. The Trust would like to arrange a Christmas treat for village children, perhaps a party in the Village Hall or a trip to a Pantomime. Parents of children up to the age of 16 are invited to contact Jayne Tibbles at Lima Cottage (01502 724448) with suggestions, offers of help with arrangements, collation of numbers etc. We need input from you for this to happen!

**Jayne Tibbles. Clerk to the Trustees.**

### PARISH COUNCIL REPORT

The Village Hall Management Committee had turned down the Parish Council's request to have the bottle bank placed in the Village Hall car park. It would therefore have to be removed from the village as the Parish Council were unable to find another site. The Parish Council expressed disappointment at this decision and would ask the VHM to reconsider. The following planning applications were approved by the Council: (a) The construction of a dormer window to existing studio at the rear of Winton, The Street. (b) The erection of a conservatory at 2 Ivy Cottages, The Street and (c) The erection of a two-storey house (existing house to be demolished) at the Studio, Stocks Lane. The Council had no objections to the erection of a two-storey extension at The Meadow, Stocks Lane, although they would request that the Planning Committee would consider the overlooking aspect of the roof garden and the design of the gable roof. Planning permission with amendments had been granted for replacement windows and external alterations to the Old Yacht Yard and also for the erection of a detached outbuilding for office use at the Bell Hotel. The Chairman, Mr A Hunt, reported that members of the Council and Trust had met with Mr Stan Jeavons, Assistant Area Manager for the Environment Agency, to discuss the new ramp which they had erected (without consulting either the Council or the Trust). Mr Jeavons, who was also concerned at the height and general appearance of the structure, agreed to have it painted black and to hold a further meeting in the autumn to discuss the future of the ramp.

**Vivien Hunt. Parish Clerk.**

## INTERNET FAMILY HISTORY QUERY

Hi! I am researching my family history and find my grandmother was from Walberswick. She was May Burley and her father was George Burley and her mother was Edith Jane Goddard. Are there any relatives of the Goddard or Burley families still in the area?

## LETTER FROM THE OLM

What a glorious summer we've had so far, providing us with opportunities to enjoy the good things God has created around us - long may it continue (on second thoughts the farmers and gardeners may not appreciate that wish!). On the other hand we do not want to be like Horace Walpole who wrote these words in a letter in 1774 *'the way to ensure summer in England is to have it framed and glazed in a comfortable room'*.

For schoolchildren, summer is all about holidays and many will come to this beautiful part of God's earthly kingdom to enjoy sand, sea and countryside. As for many previous years the Scripture Union will be running a beach mission on Southwold beach, for two weeks from 3<sup>rd</sup> August. Julie Winyard, who runs our own Sunday School, is hoping to link up with some of the Scripture Union team to run a holiday club here in Walberswick. The beach mission is extremely well run and provides an opportunity for young people of all ages to have fun but at the same time learn something more about what the Bible can teach us for today.

The monthly Luncheon Club continues to be well received. Just to let you know that there will not be one in August; the next one will take place on Friday 12<sup>th</sup> September. See you there. While you enjoy your summer why not put some time aside to think about the good things all around us and the God who has created them?

Yours in Christ's service,

**Brian Fisher.**

## SUNDAY SCHOOL SUMMER CLUB

This is a new and exciting adventure for St Andrew's Church, a Sunday School Summer Club! We have booked the Village Hall every morning from Monday 4<sup>th</sup> August for 1 week. Sessions will start at 10.30 and finish at 12.00. Our theme for the week: Who is Jesus and what can He do for me?

Please come and join the fun. You do not have to be a Sunday School regular and all you need to bring is £1 per day and parents on Friday because we will be having a treasure hunt on the beach!! I look forward to meeting you all on Monday 4<sup>th</sup> August at 10:30 in the Village Hall, Walberswick. You are also most welcome to join the Southwold Beach Mission every afternoon and for their second week. For further details and a programme for the week contact me on 01502 722178.
